

Take part in our federal day of action KiTAKOLLAPS on May 15, 2023 everywhere in Brandenburg.

In many places in our federal state of Brandenburg, the day-care system is close to collapse. We need more places in day-care centers, more kindergarten teachers and clear legislature on financing and quality of education. We are facing grave consequences:

- Increasingly, opening hours of nurseries, pre-schools and after-school-care is reduced, groups or facilities have to be closed by the day; parents are being asked to pick up their kids after lunch or to keep them at home in the first place
- Progressively, families are under pressure professionally, for lack of reliable child-care
- Kindergarten teachers have to look after increasing numbers of children on their own
- Employees suffer from burnout, quit or change professions

On May 15, 2023, parents, educators, child-care institutions and organizations, and many more dedicated individuals, organize and host a variety of campaigns and activities across Brandenburg to shine a light on the impending collapse of our child-care system.

Together we stand for:

- Higher quality of education and care for our children
- Improved working and training conditions for our educators
- More places in day-care based on actual demand
- Improved child-staff ratio for all ages
- Immediate reform of childcare legislation with, i.a. clear quality standards, simplified financing and staff-ratios based on scientific recommendations and our children's needs

Take part in our KiTAKOLLAPS day of action! Decide as a group of parents, educators and management which activities you want to contribute on May 15, 2023 – be it in your facility or as a community event. The sky's the limit.

From deliberately closing or part-time closing your facility for the day to host community events, to events in your facilities, demonstrations and rallies, posters and banners for your buildings or fences...

A first collection of ideas can be found on our website. There you can also list your contribution to be found on a digital map of all activities, so others can be inspired and support your event.

Together we are strong!

Participate and take a stand for great education and care for all our children!
